# 2010 Social Studies 10-2 UbD RI 4 plan

## Big Ideas/Questions

1. How does globalization impact quality of life?
2. What responsibilities do global citizens have in response to global issues?
   a. What are those issues?
   b. What is the responsibility of the global community/organizations?
   c. What is the responsibility of government?
   d. What is the responsibility of corporations?
   e. What is the responsibility of individuals?
3. How can globalization contribute to the spread of democracy and human rights?

## Key understandings

### Related Issue 4 - To what extent should I, as a citizen, respond to globalization?

- Students will assess their roles and responsibilities in a globalizing world.

Students will:

1. recognize and appreciate the impact of globalization on the quality of life of individuals and communities
2. recognize and appreciate the importance of human rights in determining quality of life
3. accept political, social and environmental responsibilities associated with global citizenship
4. explore various understandings of quality of life
5. analyze impacts of globalization on children and youth (awareness of global issues, employment issues, identity)
6. analyze impacts of globalization on women (gender issues, labour issues, opportunities for entrepreneurship)
7. evaluate relationships between globalization and democratization and human rights
8. analyze how globalization affects individuals and communities (migration, technology, agricultural issues, pandemics, resource issues, contemporary issues)
9. explore multiple perspectives regarding the civic responsibilities that individuals, governments, organizations and businesses may have in addressing opportunities and challenges presented by globalization
10. evaluate means by which individuals, governments, organizations and businesses could address opportunities and challenges of globalization (pro-globalization activism, anti-globalization activism, legislation, agreements, consumer activism, corporate responsibility)
11. develop strategies to demonstrate active, responsible global citizenship

## Key Issues

- Defining quality of life
- Understanding the different opportunities and challenges created by globalization
- Impact on women and children (labour issues)
- Impact of globalization on communities (migration, pandemics, urbanization, environment-resource use, agricultural issues)
- Democracy/human rights
- Understanding of citizenship in communities
- Different perspectives of responsibilities

## Key terms

- Anti-globalization
- Civic responsibility
- Consumer activism
- Corporate responsibility
- Democracy/democratization
- Entrepreneurs
- Global citizenship
- Human Rights
- Legislation
- Migration
- Pandemic
- Pro-globalization / anti-globalization activism
- Quality of life
