Key understandings

Related Issue 4 - To what extent should I, as a citizen, respond to globalization?

- Students will assess their roles and responsibilities in a globalizing world.

Students will:

- 4.1 recognize and appreciate the impact of globalization on the quality of life of individuals and communities
- 4.2 recognize and appreciate the importance of human rights in determining quality of life
- 4.3 accept political, social and environmental responsibilities associated with global citizenship
- 4.4 explore various understandings of quality of life
- 4.5 analyze impacts of globalization on children and youth (awareness of global issues, employment issues, identity)
- 4.6 analyze impacts of globalization on women (gender issues, labour issues, opportunities for entrepreneurship)
- 4.7 evaluate relationships between globalization and democratization and human rights
- 4.8 analyze how globalization affects individuals and communities (migration, technology, agricultural issues, pandemics, resource issues, contemporary issues)
- 4.9 explore multiple perspectives regarding the civic responsibilities that individuals, governments, organizations and businesses may have in addressing opportunities and challenges presented by globalization
- 4.10 evaluate means by which individuals, governments, organizations and businesses could address opportunities and challenges of globalization (pro-globalization activism, anti-globalization activism, legislation, agreements, consumer activism, corporate responsibility)
- 4.11 develop strategies to demonstrate active, responsible global citizenship

Key Issues

- Defining quality of life
- Understanding the different opportunities and challenges created by globalization
- Impact on women and children (labour issues)
- Impact of globalization on communities (migration, pandemics, urbanization, environment-resource use, agricultural issues)
- Democracy/human rights
